Short Description:

Get ready to jump, twist and shake at the Fabulous Lemon Drops live music show! Featuring songs, musical instruments, storytelling and movement, this is engaging, educational, interactive, musical entertainment at its best.

Long Description:

The Fabulous Lemon Drops are an energetic pop-rock band for families. Their original sound combines meaningful lyrics with memorable tunes that immediately connect with children. The band has released four CDs and a DVD, and their music has been featured on television in both Australia and the US. They are also played regularly on leading children's radio stations worldwide. Currently touring throughout Australia, they have performed in the UK and were set to feature at the Hand in Hand Children's Festival in China in 2020, which was postponed due to the international health emergency. Having written over two hundred original songs and played thousands of live shows; the Fabulous Lemon Drops have embarked on a truly incredible journey. Their future plans are simple, they hope to inspire everyone to have fun, and celebrate life through music and dance, changing the world one smile at a time. Watch this space!
